Thinking of Retiring?

Teachers

Preplanning

Beginning of January, mark your Teacher Intention form to indicate that you are thinking of doing this, effective June 30 of this year. Return the form to your school office or to Human Resources. (This is just an alert so that retirement benefit amounts can be built into next year’s budget – your decision isn’t acted upon until you firm it up by March 1.)

By March 1, send your official letter to Human Resources notifying the Board of your intention to retire.

Possible Early Retirement Benefit

You qualify for an early retirement benefit if you were (1) hired before 6/30/1986 and (2) your years of teaching plus your age total at least 70; and (3) you have worked for TPS for at least 20 years.
